

Futuristic Design

Bio-Design

A generation ahead of mundane square shapes, All is a Bio-Design. its Aesthetically pleasing shapes incorporate continuous curves to Convey warmth and harmony The Mounting screw can be hidden With a screw cap.

Revolutionary Technology

The terminals are constructed as single pieces without joints or rivets thanks to revolutionary sheet metal technology. This accommodates more wires than conventional brass turned terminals.

Smart

The rocker design has been Ergonomically sized and shaped Only after receiving inputs from prestigious consultants and hundreds of actual users.

Paint Guard

Paint Guard This plastic guard protects the Accessories while painting the wall.

Cool

A silver overlay, placed over The entire surface of the moving Contact, keeps the switch cool Even when it is loaded with fluorescent lamps at maximum current.

Superior Quality

alf products are made of high gloss polycarbonate material that is tough, impact-resistant flame-retardant and built to last.

Universal

alf sockets are designed to accept Various standard plugs from the Far East right across to the Americas.

Easy Installation

Angular design of the housing Keeps the brass terminal screws at an angle. This allows easy accessibility by a screw driver even on a 4 gang switch.

Room for Error

Any misalignment of the switch Box on the wall can be corrected because of an elongated fixing hole on the cover plate.

Durable

alf products are type tested to relevant IEC and BS standards to offer a minimum lifespan of 25 years.

Freedom of Choice

You have the freedom to choose and interchange modules on Cover plate

M09A - Angular TV Socket

M10A - Angular Satellite Socket

M12 - Cord Grommet

M08 - Blank Plug

M13 - Neon Module

N42 - 13 A Fuse Unit 250V

M 41 - Buzzer 220V (15) VA
M 40 - Buzzer 110V (30) VA

M31-G2 Light Dimmer 60-500W/200-240V
//40 - 250W/110 - 127V 1 Way
Rotary On Type
M32 Light Dimmer 60- 500W/200 -240V
//40 - 250W/110 - 127V 2 way
Push to on Type

L24 Light Dimmer 100 -500W/127V
2 Way Push to on Type
L26 Light Dimmer 150- 1000W/240V
2 way Push to On Type

سنة ضمان
Year Warranty

alfanar brings the best of international quality to your home, office, leisure environments. The range encompasses futuristic design with cutting edge technology. Ease of installation have been considered in developing this range.

The design has graceful curves that blend well with surfaces, a significant departure from the boxed-in look available in the market. This elegant simplicity sets new standards in the design of wiring accessories.

Our own state of art research laboratory and manufacturing facility enables us to follow our passion of quality. Each **alfanar** product is subjected to stringent quality tests.

A dedicated dealer network and a team of excellent professionals will be pleased to help serve your needs. Together we can stay connected to the future.
